Re: Pipeline Safety Evaluation  
**Reference Number: #N202102**

Dear Mr. Bruce Perkins:

This letter is in response to the letter dated October 22, 2021, alleging one probable violation on the Northwest Gas Processing, LLC's pipeline facilities, herein called NWGP.

**Item #1 – 199.117 Recordkeeping**

**Finding:** *NWGP has no historical drug and alcohol test records as required by 49 CFR §199.117.*

NWGP agrees with this finding.

This being a lack of records violation, NWGP cannot create those previous records but will in the future keep and maintain the records required under 199.117.

Thank you for your time and consideration.

Sincerely,

Nathan Caldwell
